

ENGSO

Strategy 2024–2027

The European Non-Governmental Sports Organisation (ENGSO) is the European Grassroots Sport representative and the leading voice for

- voluntary-based organised grassroots sport
- equality, diversity and inclusion in sport and
- youth in sport

**Vision 2027:**

Stronger grassroots sport for sustainable and inclusive communities

**Mission statement:**

To represent, develop and advocate for voluntary-based organised grassroots sport in Europe

**Our values:**

Democracy, equality, inclusion, sustainability, integrity and education

ENGSO is fulfilling its vision and mission through three areas:

ENGSO advocates for a European sports policy that enables a resilient civil society and the sustainability of the sports movement.

- Shaping the European sports policy agenda according to the ENGSO Policy Programme, the input from the members and the support of EU Advisory Committee
- Further strengthening our relevance as a trustworthy advocate up to the highest political level
- Research and share strategies and tools to make the sport movement ready to face crises and continue to contribute to the development of individuals, communities and society
- Becoming the focal point for equality, diversity and inclusion in Europe

ENGSO is a platform for developing and exchanging ideas that enhance the essential role of grassroots sport within society

- Actively building a grassroots sports movement that drives sustainable and accessible change in communities and societies
- Bringing together people of different ages and backgrounds that share a passion for sport, and empowering them to act as social catalysts
- Strengthening partnerships with relevant stakeholders within and outside the sports movement and organize relevant meetings to consolidate stable networks for the ENGSO policy priorities
- Support members and other sport organizations in developing youth and equality strategies

ENGSO's organisation, finances and brand fully support our vision and mission

- Strengthening the bond between ENGSO and its members by providing capacity building programs and facilitate the visibility of members' actions within the network
- Strengthening the development of ENGSO Youth and the ENGSO Equality Within Sport (EWS) Committees and ensuring cohesion and collaboration within the secretariat to fulfil ENGSO's strategy
- Developing ENGSO's economic sustainability by exploring new sources of funding that help ENGSO fulfil its strategy
- Align the projects, events and activities implementation within the policy program to help ENGSO fulfil its strategy
- Further professionalising the secretariat, updating our tools and processes, and mainstreaming our values to ENGSO's work to ensure effective and fruitful collaboration with the Committees.
